Clearer whole U, preserving the observed construction

Native crops enlarged independently. Before and after outlines share one font scale and baseline.

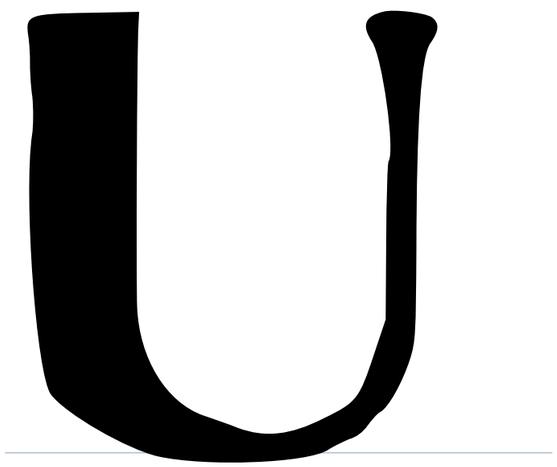

Previous Census source

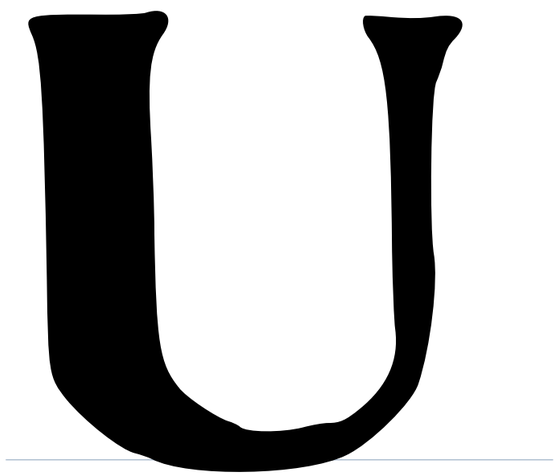

Selected BYU poster source

Before / advance 707

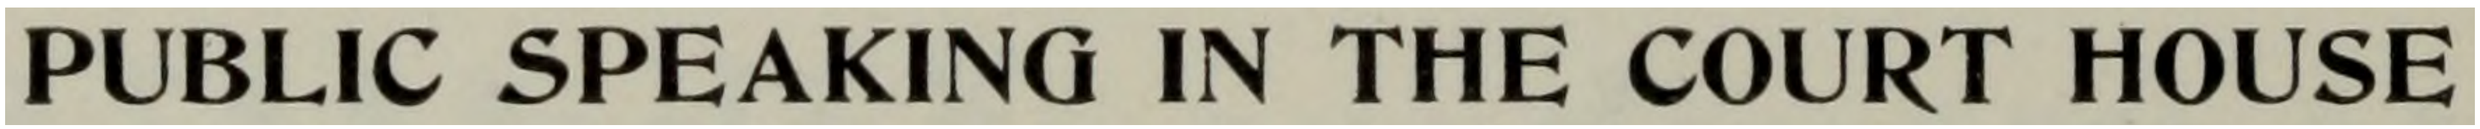

After / advance 744

BYU printed page 598, archive leaf 600: U in PUBLIC. Threshold 130; no filled holes or drawn repair.

Eleven non-U/S/M capitals: 13.4163876 units/native pixel. Fifteen serif feet: baseline 2694, zero robust slope.

Maximum baseline residual: 2 native pixels. Current U ink: -18.84 to 696.96. Modern sidebearings remain 35 units.
