Document Division rule 18: native source and selected contours

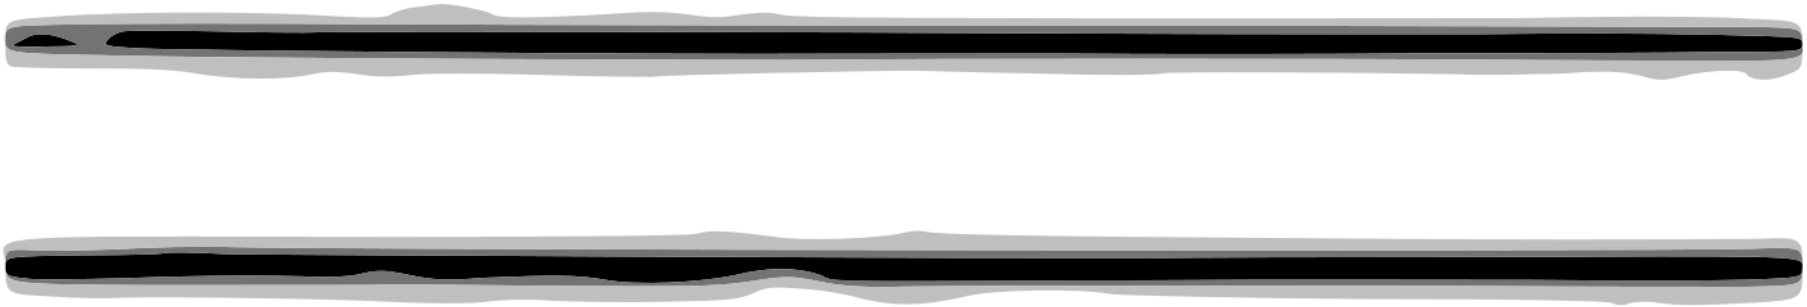

No. 18: Widely spaced fine parallel rules / native source

Monochrome

Disjoint ink-strength regions

Document Division rule 18: TrueType from 32 to 1024 pixels

Widely spaced fine parallel rules / E250

32px em / actual TrueType

64px em / actual TrueType

128px em / actual TrueType

256px em / actual TrueType

512px em / actual TrueType

1024px em / actual TrueType

Document Division rule 19: native source and selected contours

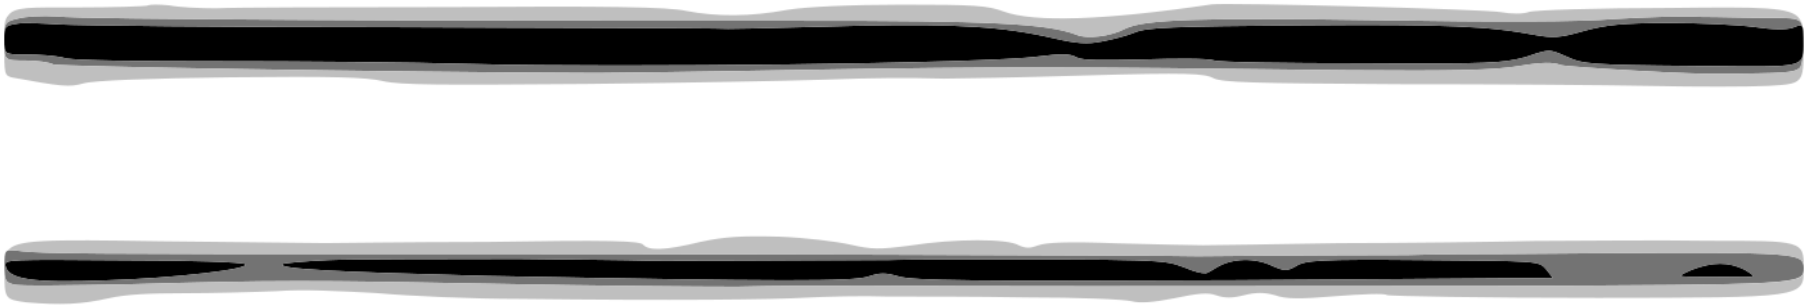

No. 19: Light unequal double rule / native source

Monochrome

Disjoint ink-strength regions

Document Division rule 19: TrueType from 32 to 1024 pixels

Light unequal double rule / E251

32px em / actual TrueType

128px em / actual TrueType

256px em / actual TrueType

512px em / actual TrueType

1024px em / actual TrueType

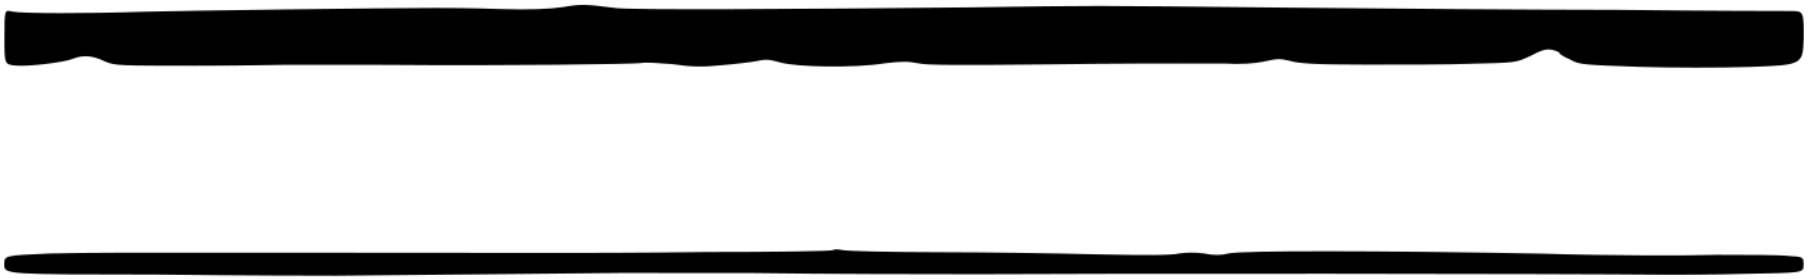

Document Division rule 22: native source and selected contours

No.22: Heavy and fine rules with a narrow gap / native source

Monochrome

Disjoint ink-strength regions

Document Division rule 22: TrueType from 32 to 1024 pixels

Heavy and fine rules with a narrow gap / E252

32px em / actual TrueType

64px em / actual TrueType

128px em / actual TrueType

256px em / actual TrueType

512px em / actual TrueType
